Project Description: We need teams to conduct evangelistic VBS at a local Baptist church. The VBS will be Monday-Friday in the mornings. We have also done Teen VBX in the evening, if sufficient help is available. We also would like to conduct few evening events such as a VBS kick-off block party on the Saturday before VBS. Other projects are possible too.

What materials do teams  
need to bring?

Local church will provide most of the VBS teaching materials, although if a mission team can assist with materials and/or decorations that would be greatly appreciated. There may be some needs for the block party, like prizes, etc...
